

March Winds are blowing in Spring. Soon it will be Easter. The calendar reminds us to reflect on the events in Jerusalem the week before the Crucifixion and Resurrection. One of Jesus' first stops was at the Temple. There in the courtyard, He found people engaging in wrongful activity. It was time for a spring cleaning. Jesus did the cleaning!

As we approach the Easter season, we need to consider doing some spring cleaning. But there is a difference from that day 2000 years ago. Today it is not a building but rather our bodies that are the Temple of the Holy Spirit.

Jesus would like to help us clean out the wrongful activities and thoughts in our hearts. Will you let Him? With the cleaning done, we can be truly ready for the crucifixion/resurrection celebration.

Your co-laborer,

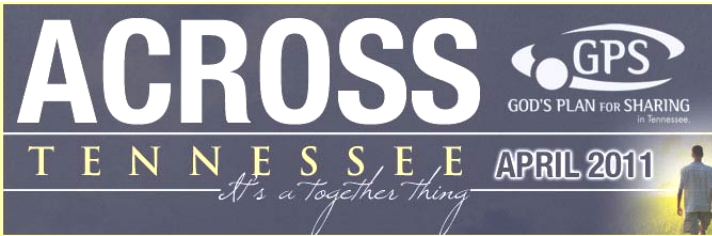

Bro. Mike T.
